

READING IDEAS

In order to celebrate reading please find a range of ideas of how reading can be made more fun at home. All of these ways can be recorded in reading records. However, we all know that nothing beats making memories with your child by sharing a book (and may be a hot chocolate) with them; very often we find when we ask the children of their favourite reading memory it is of these times.

IDEAS

Reading a newspaper Karaoke Bananagrams

Reading leaflet/signs when on a visit (ie the Zoo) Scrabble

Reading to a sibling Facetime/video call reading to a family member

Subtitles on when watching Netflix
