---------------	--	----------------------------------	--

This document supports developing the cultural capital of the pupils of our school, it is intrinsically linked with our curriculum documents.

Provision for enrichment is enhanced by:

- a wide range of after school clubs: Reading, Cooking, Chess, Football, Running, Dance, Basketball, Multi-skills, Craft clubs,
- participation with the NDPSSA, Tuxford Family of Schools and local sports providers for a range of sporting opportunities and competitions
- supporting Local and National Charity events
- participating in National and local events ie The King's Jubilee, International Women's Day, competitions, Anti-bullying week, Internet safety week, Black history month
- Assembly visitors including from local police/fire services and parents
- Links with Collingham and District History Society
- INSPIRE music events

**Note: Each year classes may have extra curriculum enhancements depending on local availability of opportunities i.e., events held by Tuxford Academy, INSPIRE Music, Young Voices, theatre showings etc. If this happens the maximum amount of time possible for notification will be given to parents.**

Please note the 'The Friends of John Blow School' (FOJBs) actively fundraise and donate £15 a child to subsidise costs for parents. This is greatly appreciated by all the parents and by the school. Their hard work enables opportunities of enrichment that would otherwise be too expensive to run- thank to all who help support our PTA.

***This document has been created in consultation with parents.***
