

Dear Parents and Carers,

Welcome back! We hope you all had a lovely half-term break and are ready for an exciting final half term of the academic year. We cannot believe how quickly the year has gone, and we are looking forward to a busy and enjoyable Summer 2 term in Lower Key Stage 2.

Y4 MTC

A reminder for our Year 4 families that the Multiplication Tables Check (MTC) will take place during June 2026. Please continue to support your child in practising their times tables regularly at home, as this will help build their confidence and fluency.

PE days

- Year 3: Monday and Friday
- Year 4: Tuesday and Friday

Please ensure children come to school in the correct PE kit on these days, including suitable footwear.

Warmer weather plans

As we move into the warmer months, please ensure that all hats and sun cream bottles are clearly labelled with your child's name. Most sun creams provide up to 8 hours of protection; if you wish to send sun cream into school, children must be able to apply this independently. During the heatwave before half term, we provided indoor spaces for children who preferred not to be outside, and we continue to follow our Warm Weather Policy to support children during periods of hot weather.

Trips and Events

This half term, we are excited to be taking part in a range of events and activities including the Halle Orchestra visit, Forest School, Sports Day and Programming Day. More information for each event will be shared with parents and carers closer to the time.

Home Learning

Thank you to all parents and carers for their continued support with home learning during Summer 1. Your help with reading and homework has had a very positive impact on the children's progress and confidence. The current home learning model that was in place during Summer 1 will remain the same for this term, as it has proven to be effective and manageable for both pupils and families.
