

John Blow Primary School
Long Term Plan 2026-2027

Child-Friendly Definition

Maths helps us understand the world by solving problems, spotting patterns and making sense of numbers, shapes and data. It teaches us to think carefully, explain our ideas and choose efficient methods. At our school, we use White Rose Maths to help us build a deep understanding, make connections between ideas and become confident, resilient mathematicians who can use maths in everyday life.
