

## EYFS

Developing a strong grounding in number is essential so that all children develop the necessary building blocks to excel mathematically. Children should be able to count confidently, develop a deep understanding of the numbers to 10, the relationships between them and the patterns within those numbers (Statutory Framework 2021)

Addition	Subtraction	Multiplication	Division
<p>Children are encouraged to gain a sense of the number system through the use of counting concrete objects.</p> 	<p>Children are encouraged to gain a sense of the number system through the use of counting concrete objects.</p> 	<p>Children use concrete objects to make and count equal groups of objects.</p> 	<p>Children use concrete objects to count and share equally into 2 groups</p> 
<p>They combine objects in practical ways and count all.</p> 	<p>They understand subtraction as counting out.</p> 	<p>They will count on in twos using a bead string and number line.</p> 	<p>They count a set of objects and halve them by making two equal groups.</p> 
<p>They understand addition as counting on. They will count on in ones and twos using objects, cubes, bead string, rekenrek and number line.</p> 	<p>They begin to count back in ones and twos using objects, cubes, bead string and number line.</p> 	<p>They understand doubling as repeated addition. <math>2 + 2 = 4</math></p> 	<p>They understand sharing and halving as dividing by 2.</p> 
<p>They begin to use + and = They are encouraged to develop a mental picture of the number system in their heads to use for calculations. Higher attaining children may be able to represent their calculations using symbols and numbers within a written calculation</p> 	<p>They use concrete and pictorial representation to record their calculations. They begin to use - and = Higher attaining children may be able to represent their calculations using symbols and numbers within a written calculation</p> 	<p>They use concrete and pictorial representation to record their calculations.</p> 	<p>They use concrete and pictorial representation to record their calculations.</p>
