Welcome to Our Reading Pathway!

Reading opens the door to new worlds, exciting adventures and amazing ideas. To help develop a love of reading at home, each member of staff has chosen their favourite recommended read to feature on our Reading Pathway.

Thanks to the generosity of the Friends of John Blow, two copies of each book have been purchased for families to borrow and enjoy.

You can take the books home to read independently or share them together as part of your family story time. Please take good care of the books and return them to the display in the school entrance once you have finished with them so that other families can enjoy them too.

After reading a book, record the date and write a short review in this booklet. You may also wish to give the book a rating out of ★★★★★.

Then it's time to choose your next book!
